I made a few very minor edits to the general comments.

The numbering on the Excel table looks right...it should automatically update.

Yes, I think you should show this to Juan, if he's working today.

Thanks!

I made all changes and added disp. Res. Reference to gen. comments

I added extra tic comment and njdep to specific comments, but can't change the comment numbers.... Could you fix?

Thanks

Once these are "ready" I'll pdf and watermark, etc.....
